

We realize the importance of a player’s education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event structure. The Champions Showcase begins on Friday and will require the participating student/athletes to miss that day from school.

While we understand the importance of education, we also believe that sports have its place for many of our participants as college coaches and recruiters are present at this event. We hope you will understand and excuse the absence of student/athletes from school. This year’s Champions Showcase is December 13-15, 2024.

Please feel free to contact me with any questions.
