

On behalf of the Champions Showcase, we would like to request the release of all club players, from your school, to participate in the 2025 event hosted at Richard Siegel Soccer Complex. The Tournament is held in Murfreesboro, TN on December 12-14, 2025.

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning out and scheduling our yearly event structure. The Champions Showcase, one of the region's top college recruiting events, begins on Friday and will require the participating student-athletes to miss that day from school. Players participating in our showcase are exposed to one of the largest concentrations of college coaches on the east coast. Attracting over 50 college coaches last year, many of the players competing in our showcase expand their college options by participating in our showcase. In addition to the recruiting exposure, players are also able to take advantage of Midwest universities and colleges. Offering some of the top Division I, II, III, and NAIA schools regionally and nationally, players spend their downtime visiting schools they may not normally have visited.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student-athletes from school during Friday, December 12, 2025 of the Champions Showcase.
