

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event series. Kings Hammer SBD tournaments may begin on Fridays and may require the participating student/athletes to miss that day from school.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student athletes from school.

Please feel free to contact us with any questions.
