Please click here to assign your primary coaching assignments: [Coaching Conflicts](#)

Before you request a change in flight placement, please note that the tournament committee has done their due diligence in researching the following:

- Current Registered League play
- Current/Past League play results
- Past Tournament results
- Comparison to other teams in Event
- Application information
- Requested bracket

If you believe your team has been bracketed incorrectly, please email the event staff with specific results that support your argument by our deadline stated in the flight email. Please include the following in the email:

- Team name, age group/gender and current flight.
- Scores against other teams in the event or scores from leagues or recent tournaments.

Please don't include anything with "rankings". We especially look at actual scores and events that teams have attended this fall/winter/spring. It is not our goal to set anyone up for failure or to stack the deck in any team's favor, we want the best competition for all of the teams in our event.
