

To Whom it May Concern:

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event structure. The Blue Chip Showcase is a nationally recognized college recruiting showcase. It begins on Friday and will require the participating student/athletes to miss that day from school, along with Thursday and/or Monday if long distance travel is required.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student/athletes from school on Thursday, Friday and/or Monday of the Blue Chip Showcase.

Below are the dates for the event:

Women's Blue Chip Showcase: April 11-13, 2025

Men's Blue Chip Showcase: April 25-27, 2025

Please feel free to contact me with any questions.
