

Kings Hammer Soccer Club is proud to partner with [OrthoCincy Orthopaedics & Sports Medicine](#) as the official preferred sports medicine provider for Kings Hammer in its Midwest Region.

- *Kings Hammer will staff independent certified athletic trainers (ATC) to address minor, in-game injuries as well as those unfortunate injuries that will likely require follow-up physician care.*
- *OrthoCincy sports medicine specialists have designated office hours blocked within their schedules to accommodate same-day injury appointments for Kings Hammer athletes.*

MATCH DAY INJURY

- **ATHLETES DEEMED UNABLE TO RETURN** are directed to schedule an appointment with OrthoCincy Orthopaedics & Sports Medicine.
- **ATHLETES REQUIRING IMMEDIATE ATTENTION** will be directed to an OrthoCincy Orthopaedic Urgent Care if available or a local emergency room.
- **ATHLETES WHO SUFFER ANY INJURY TYPE** will receive a courtesy call the next available business day using the information provided by the on-site ATC via the injury portal.

PRACTICE / CHRONIC / MISCELLANEOUS INJURY

- **ATHLETES WITH SEVERE INJURIES** are advised to visit an OrthoCincy Orthopaedic Urgent Care if available or a local emergency room.
- **ATHLETES WITH NON-URGENT INJURIES** should call to schedule an in-person visit at OrthoCincy. Simply state that you are calling for a Kings Hammer athlete, and you will be provided priority scheduling for your athlete.
